This 2 page form needs to be filled out, printed and MUST accompany your quilt. We will contact you with any questions or concerns.

Please see the quilt prep section to prepare your top, batting and backing for quilting. Ironing the top and back flat, back stitching edge seams and removing stray thread will make things easier to quilt properly.

The 2nd page of this form is an interactive document that will calculate all aspects of the work to be performed. Be sure to fill out the form from top to bottom. When altering options reset the form and start over.

We have a variety of things included in the quilt price. There is a choice of thread color, along with setting up your quilt top, batting and backing for the best results on our longarm. We trim piecing threads and touch up iron the top and backing. We also will adjust most border issues that come up, and will machine and hand sew in extra seams to get everything to lie flat for the smoothest quilting possible.

First measure the length and width of your quilt top. Add to top line. The form will calculate the additional 8" for the length and width needed for batting and backing fabric as well as the linear inches measurement for possible binding. This will auto populate further down the form if you choose to purchase batting, backing fabric or binding options from 9 Lives Quilting.

Next check the boxes if the quilt top or backing is directional. Then choose thread type and color for the top and bobbin. We can match a fabric on your quilt top if specified. We can also use variegated thread or you can provide a high quality thread for us to use.

Backing, Batting, Trimming and Binding are the next options with a Customer Provided option.

Quilting Options 1-4 are next. Please choose one and put in the pattern number(s).

Choose shipping or pickup option. If you ship the quilt to us, please take care in packaging, and only ship with insurance. We cannot be held responsible for damage or loss incurred during shipment.

If you are a Wisconsin resident, please check the box at the bottom for tax purposes.

The total amount can be paid by check or credit card. DO NOT put credit card numbers on any correspondence. Please call with it, or we will process the card if we get the quilt in person.

____ I authorize 9 Lives Quilting to use a photo of my quilt for advertising purposes such as the 9 Lives Quilting website, social media etc.

I am at least 18 years of age. I authorize 9 Lives Quilting to perform the work requested on the 2nd page of this order form and am legally responsible to pay the amount agreed upon for work performed. If there is a problem with the work performed, I will contact 9 Lives Quilting within 10 days of receipt of the quilt and will discuss options.
